RENEWED PETITION TO REVIVE UNDER 37 CFR 1.137(C)

Sir.

Applicant hereby petitions for reconsideration of the September 07, 2010, Dismissal of the petition for revival of the above-identified application under 37 CFR 1.137(b) (see attachment A).

The Decision indicates that Applicant did not properly provide sufficient facts to show that the delay was unavoidable.

In addition, the Decision indicated that since the Petitioner paid the Maintenance Fees within 24 months of the date of expiration of the patent, the Petitioner has an alternate remedy under the unintentional provision of 37 CFR 1.378(c) which does not require a showing of the delay in timely paying the maintenance fee in order to reinstate the patent. Furthermore, the Decision indicated that \$700.00 surcharge already submitted would be applied to the \$1,640.00 fee owned under 37 CFR 1.378 (c),
